

Warehouse Assistant, Warkworth **Pick Packing, Inwards Goods and Dispatch**

FDG is urgently looking for motivated and enthusiastic staff to join our highly productive team in Warkworth. Why sustain the cost of commuting to the North Shore when you can enjoy modern and friendly working conditions right at your doorstep? If you enjoy a busy environment where you have the opportunity to influence productivity and performance, this will very likely be the place for you to thrive. We have just doubled the size of our modern purpose built facility and urgently require staff to assist with our optimistic growth goals.

FDG believes in rewarding persons who put in the extra effort to grow and succeed. This could be your opportunity to take things to the next level in your career. Fork hoist license an advantage but training is available. Visit our website www.fdgz.com or www.facebook.com/fastenersdirectglobal to see what we do. Fasteners and support systems are our game, supplying construction, mechanical services, infrastructure and manufacturing segments of the market. Our companies priorities focus on customer satisfaction, and with an energetic and dynamic team working together, this is achieved and valued.

Company Values:

- Creating Energizing Engagements - any interaction must leave the recipient feeling positive
- Champions For Growth - we promote personal growth, as much as we promote business growth
- Agility to Overcome Obstacles - we believe every problem can be solved with a positive outcome
- Supporting Local and International Communities - Charity is in our veins and we give generously
- Flexibility with Focus - We are fast to react to the needs of our customers but don't lose our focus on the ultimate goals

We look forward to receiving your application emailed to laughton.brodie@fdgz.com.
