WELCOME TO MAHURANGI COLLEGE

Mahurangi College has a strong emphasis on academic excellence balanced with a wide range of sporting and cultural activities. We want our students to thrive and to feel safe and connected. We combine social and emotional well-being with great academic outcomes and lots of different pathways for their futures.

We ask our students to dream big, to take risks, to be curious, determined and resilient. We encourage excellence in all areas of school life and take pride in celebrating success - on the sports field, in the arts and in the unique and exciting ways our students think and express themselves.

The roll of approximately 1500 students enables Mahurangi College to combine the facilities and outlook of a city school with the advantages of a safe and secure rural environment. Students are protected from the distractions and troubles of city life and free to focus on their studies.

Our national examination results rank in the top group of New Zealand's state secondary schools. Graduates excel in their tertiary studies, in their chosen careers, trades and at national and international level in their sporting and cultural pursuits.

ATTENDANCE

If your child is absent for any reason please email absent@mahurangi.school.nz.

On the day of return, all absences should be explained by a note from the parent or caregiver to the whānau teacher.

Why Attendance Matters

When your child misses school they miss important opportunities to ...

Build Friendships

Develop Life Skills

Days missed = years lost

A day here and there doesn't seem like much, but ...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight

= **4** weeks

= Over

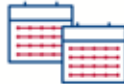

1 year missed

90% attendance

1 day per week

= **8** weeks

= Over

2.5 years missed

80% attendance

Minutes missed = days lost per year

A couple of minutes here and there doesn't seem like much, but ...

When your child misses just...

they miss days per year

Patterns of lateness can have a serious impact on your child's education.

BUSES

School buses are for students to get to and from school.

A high standard of conduct is expected while travelling to and from school and opportunities often occur where college pupils are expected to show courtesy and consideration to others.

Students living more than 3.2 kilometres from the College are entitled to free bus transport.

Ineligible students who live within 3.2 kilometres may use the school bus service only if there is room.

A member of staff is in charge of the organisation of school buses but any major decision is the responsibility of the Ministry of Education and the local Transport Network which in turn may delegate authority to the College Principal.

If students need to catch a different bus please send them to school with a note to Student Services before Period 1 where a pass will be issued after interval.

If you need to know the time a bus leaves a stop in the morning or to check buses are running on time, please visit www.mahurangi.easybus.nz or phone Gubbs Motors on 09 425 8348.

CELLPHONE POLICY

After spending time looking at the research around cell phone use by young people, and discussing the issue at length, we have decided to completely remove cell phones as a learning device within the classroom at school.

The aim is to support our students around sensible device use and to educate them on how to use other suitable devices for learning, such as tablets and laptops.

As parents, you can support us by not contacting your children during learning times.

If you need to contact your child urgently you can do this through the school office. Students can respond to messages at break times.

CONSEQUENCES

A cell phone can be confiscated if the student does not follow the above rule, in which case the phone will be sent to student services. The student must then discuss the return of the phone with the Deputy Principal. Once approved by the DP, the student can pick it up at the end of that day.

If the phone is confiscated a second time, parents will need to come in to student services to collect the phone.

If this happens a third time, which we do not expect, then someone from management will contact the parents about what will happen next.

CELLPHONE USE

Phones must not be used during any class time, including whānau times. They must be turned off and in the school bag. No exceptions.

OUR CODES OF CONDUCT

UNIFORM

The school uniform is a symbol of the school to which students belong and of which they can be proud. The school expects students to maintain a high standard of uniform and grooming from the moment they leave their homes until they return home after school. Uniform standards are vigorously monitored and students have a responsibility to conform to those standards.

These showcases encourage our students to work collaboratively and to push themselves outside their comfort zone so that they can develop their skills as dancers, musicians, actors and singers. Students must be in Year 11-13 and have to audition for a place in the academy.

SCHOOL SHOW EXPERIENCE - t.hansen@mahurangi.school.nz

Mahurangi College takes pride in the quality of their senior shows. Every second year a professional and highly entertaining show is produced. GUIDANCE & WELL BEING

We pride ourselves on the pastoral care of our students. We value not only their educational development but also their physical, mental, emotional and social well-being. Our aim is to create a supportive and nurturing learning environment for every student.

We aim to ensure that every student enjoys being part of our school, feels safe, takes advantage of the many opportunities open to them and has the capability to be positive, resilient and respectful young adults.

WHANAU

Our whānau and house systems help reinforce a supportive environment. New students are placed into a house and a whānau where they remain while at Mahu. Divided into six houses, each house - Blue, Green, Orange, Purple, Red and Yellow - contains ten vertical whānau.

The 26 to 28 students making up the whānau supports and cares for each other similar to an extended family. The child's whānau teacher is one of the most important people in their life at college. They offer the encouragement needed; to excel, take up new challenges, grow resilience and find different ways to connect and belong.

Each day after lunch the whānau class meet for 20 minutes. This time can be made up of homework, mentoring, pastoral care, games and activities and mindfulness. During this time the students have the opportunity to develop strong bonds with their whānau brothers and sisters and teacher.

PEER SUPPORT AND MEDIATION

New students are welcomed and supported by senior students within their whānau and through our Peer Support programme. All our Year 13 seniors are trained in Peer Support and Mediation during a trip to Great Barrier Island at the start of the year.

Our Year 7's participate in this programme alongside our Year 13's during the first six weeks of the school year. The programme provides support to enable students to resolve their own difficulties in a positive and respectful way.

It is the expectation that homework set will be checked and commented on in a timely fashion

MOTOR VEHICLES

Senior students with driving licences must apply to the College Principal for permission to drive to school.

- Students bringing cars to school are asked to register their vehicle at the office.
- Students may NOT park on school grounds. Carparks on school grounds are reserved for staff and visitors ONLY.
- Students must drive at all times, within the law. Any reports to the school where this has not happened, will be reported directly to the Police. Where the student has been identified as a student at the college, the college will also take disciplinary action deemed appropriate.

MUSIC LESSONS

Music@mahu offers lessons in piano, guitar, bass guitar, drums, cello, flute and voice taught by private teachers who bill you directly. A \$25 admin fee needs to be paid directly to the office as soon as your student is placed with a teacher and you may be required to purchase a tutor book.

The pricing for the private lessons varies between teachers. Some instrument teachers will take students in groups or pairs reducing the cost to you. Through the itinerant music scheme we offer lessons on violin, brass, clarinet and saxophone, which are free except for the \$25 administration fee which is paid to the college office.

Students will need their own instrument for practising and where possible for lessons. Piano and drum students use the school instruments for lessons. Students will need to purchase tutor books where required. Students can store their instruments in the storage room in music@mahu during the day of their lesson.

Instruments can be hired through KBB Music, ABI or Music Works.

Learning an instrument through school is very user friendly. Students come out of class for ½ hour once a week, missing ½ a different lesson each week. Students are responsible for catching up class work that is missed.

Places in instrument lessons are limited. First come, first served. Signup forms can be downloaded from our website.

WHY SHOULD I PAY THE GENERAL PURPOSES DONATION?

GPD's are a valuable source of income that enables us to improve the breadth of education offered at Mahurangi College. We use GPD to fund resources not directly funded by the Ministry of Education, e.g. library books, sporting and cultural equipment, our yearbook. The GPD is classed as a voluntary donation and is tax deductible. As a school we have very limited discretionary income so we encourage you to pay the GPD if at all possible. We do appreciate your support in this.

SCHOOL MAGAZINES

THE VAULT

A quarterly student created magazine, celebrating the arts at Mahurangi College.

The magazine is digital only and issues are generally available online at the end of each term via our website.

Students interested in getting involved in creating the magazine or submitting their stories, art, photography or an article can email vault@mahurangi.school.nz.

THE YEARBOOK

The Yearbook is our annual publication that brings together all the greatness of the year into one place, including trips, events, camps, senior prize giving, Blues awards and other accomplishments, sports, music, school production, class photos and so.

We aim to include as many happenings and people we can cram into 116 pages.

We have a preorder system and short print run, so first in, first served. In March the following year the yearbook goes online.

STATIONARY

Stationary lists for each year can be found on our website.

STAFF

STUDENT LEADERSHIP

We aim to provide leadership opportunities in many different ways - learning and project leaders in class situations, on the sportsfield and in the arts disciplines. Each year we also have a selected group of Year 13s that form our prefect team.

PREFECTS

Many of the wonderful events and fun times that help students feel like they belong come down to the high quality, fun events, fundraisers, and community links that our prefects lead. These events, prefect duties and leadership development training provide our prefects with understanding of what leadership looks and feels like.

MIDDLE AND JUNIOR COUNCILS

Our year 7 to 10 students are given the opportunity to lead, debate, campaign and carry out projects towards making Mahu and our community the best it can be. Many projects that these groups lead make a difference every day at Mahu including shade and play areas, road safety, special events and many fundraising activities that support local, national and global causes.

ENVIRO COUNCIL

A dedicated group of students lead the school in its pursuit to make caring for the environment in our school and local community a way of life for everyone.

WHĀNAU REPRESENTATIVES

Students in whānau classes are elected to represent them their whānau. They help to lead whanau and house activities. They are also there to listen to and support the students in their whānau.

PEER MEDIATORS

Teaching students how to be respectful, kind and empathetic while relating to each other everyday is an important part of living the values of Mahurangi College. At times our younger students need direction, support, advice when negotiating the playground, the peer mediators role is to offer this support on a daily basis.

UNICYCLE - SECOND HAND UNIFORM SCHEME

Friends of Mahu facilitate the uniform recycling initiative UniCycle, at Mahurangi College run by volunteers - mainly our parents.

UNICYCLE DATES:

COLLECTION: Every Monday-Friday during school hours

SALE DAY: Keep an eye on school notices for the next sale

HOW DOES UNICYCLE WORK?

- Drop off second-hand uniform items in the UniCycle wheelie bin, located at student services - **prior to sale day, new credits can't be processed on sale day.**
- Fill in the contact form (next to wheelie bin) and attach to your bag.
- Earn varying credits for each uniform item dropped in depending.
- Credits can be used to purchase second hand uniform items during the Unicycle Sale Day.
- You can simply donate second hand uniforms, which will be given to families in need.
- Anyone can purchase second hand uniforms at the sale day, even if you have not dropped off uniforms.

FAQ'S

What do I need to know before dropping uniforms items off?

Uniform items need to be washed, packed into a bag with the contact form well attached. Uniforms with insufficient details will be treated as a donation to the school. Uniforms that need washing or repairs will have credits deducted. Please note:

Unicycle is about recycling uniforms that have been grown out of - not worn out.

What happens after I drop off my uniform items?

The uniform items are assessed, given a value based on age, condition and the initial cost. The credits are added to your UniCycle Credit Card. Use the credits at UniCycle Sale Days to purchase any second hand uniform items.

What happens on UniCycle Sale Day?

Once a term (depending on stock levels), items will be available for purchase outside the auditorium from 1:30pm-3:30pm (tba). Anyone can purchase with cash or credits. Most uniform items will be valued at \$5-\$25 each. **Cash sales only.**

UniCycle Sale Day Reminders

Sale Day reminders are emailed and posted on Social media.

Can I buy at the UniCycle sale if I haven't dropped off second hand uniforms?

Yes you can. You can pay with either cash or UniCycle credits or a mix of credits and cash.

Credits

Credits last while your students are at college. When they leave you can gift them to another family. Credits can't be exchanged for cash or used to buy new uniform.

Donations

Drop saleable uniform items in the bin and we will either give to a family in need or sell on sale day.

Where does any money raised by Unicycle go?

All proceeds from our UniCycle programme are forwarded to the College's Make it Happen Fund to help our families who are struggling to cover the costs of school and/or sports uniforms, school camps and sporting or other school fees.

Are there any uniform items you won't accept?

- Old style uniforms
- Shoes
- Sports team hoodies and jackets
- Anything that is not official school uniform (eg. substitute brands)
- Clothing in poor condition - pre worn items NOT worn out items

What happens if the uniform I donate does not pass your quality assessment?

Uniforms that are badly ripped, stained or worn out will not be exchanged for credit. If your uniform is saleable but needs washing or a simple repair, \$5 will be deducted from your credit to cover repairs (buttons sewn on, ripped seams repaired, washing, etc.).

Can I buy second hand uniform at any other time?

No sorry. The UniCycle is run by volunteers, and the uniforms are stored off-site inaccessible by staff. There will only be up to four Unicycle Sale Days per year. Parents will be given regular reminders of these dates well in advance.

Contact fomahu@mahurangi.school.nz if I'd like to volunteer to help during Sale Day We'd love your help!
