Mahurangi College Stationery Requirements – 2024 Year 7 & Year 8

Year 7 and 8 Stationery will be distributed at school

By buying in bulk we have secured quality stationery at a discounted price, that will be in your child's classroom from day one.

We understand that the summer season can be a costly one for many families, so we will be adding the below amount to your child's account in two parts, one in January and one in April (term 2). Should you need to talk to us about payment options please contact our Junior School Deputy Principal, c.armstrong@mahurangi.school.nz

Our Year 7 and 8 Stationery fee is \$80.

This includes:

- Workbooks for all subjects
- Pencil case and comprehensive supplies (An extra blue and red pen and a pencil will be given at the start of each term; *replacement items during term will be the student's responsibility*)
- A printing levy (to cover in-house printed work books)
- A school diary/vocabulary book

We are currently researching an online math homework platform that we will bill for in 2024.

Your child will need to bring:

BYOD (See brochure for information on devices)

Headphones (will be used regularly, cannot be shared for hygiene purposes)

Note: All students are requested to provide their own sunblock during the summer months. Roll-on deodorant is also essential after PE classes.
