# WARKWORTH GARAGE • DOORS

## **Apprentice Vacancy WARKWORTH GARAGE DOORS**

My name is Chris Hawkins and I own a Garage Door business operating out of Point Wells. I am a qualified plumber by trade.

I am wanting to employ a student who is interested in learning the Garage Door trade. We cover all facets from new installations to maintenance and repairs.

It is physical work usually 40-50 hours per week. No weekends. If this sounds like you, please get in touch.
