WARKWORTH VETS
**VETERINARY
HOSPITAL**

**RECEPTION VACANCY
WARKWORTH VETS, WARKWORTH**

There is a position vacancy on the reception on Saturdays, 8.00am – 2.00pm at the vet clinic. Ideally the successful candidate would have a special interest in Veterinary Nursing, becoming a Vet or just keen interest in animals. This could potentially lead to more hours over the summer should the right person come along.

If this sounds like you, please call into the vets and ask for Alice or give her a call on 09 425 8244.
